Strong to the Finish

Welcome to the 2019 State Bowling Tournament! You've persevered and worked hard to get to this point and we are proud to support this amazing event and celebrate your accomplishments.

To the Iowa Farm Bureau, this is more than a sport. It's a chance for small-town kids to make it big. It's our state's future leaders. It's a reason to do more. Be more. It's that Farm Strong® spirit that can only be found in Iowa.

And it's why, for a century, we've been an advocate for Iowa's farmers and rural communities, reinvesting more than $125 million to bring new jobs to rural Iowa over the past decade. It's why we provide nearly half a million dollars in scholarships each year to young Iowans and continue to invest in solutions in areas such as bio-renewables and value-added agriculture that create new opportunities and improve the quality of life for all Iowans.

It's also why we are proud to be the title sponsor of the Iowa High School Athletic Association, Iowa Girls High School Athletic Union and presenting sponsor of the Iowa Hall of Pride because they remind us all - if you can believe it - you can achieve it!

As we celebrate your Farm Strong spirit at this year's state tournament, remember that the task ahead of you is never greater than the strength within you.

GOLDEN PLAQUE OF DISTINCTION

Doug Techel

Ottumwa girls bowling coach Doug Techel is the 2019 bowling recipient of the Iowa Girls' High School Athletic Union's Golden Plaque of Distinction Award. Techel will be honored Wednesday, February 20 at the Class 3A State Bowling Tournament in Waterloo.

The IGHSAU's Golden Plaque of Distinction Award honors the Iowa coach who has demonstrated a successful career while making notable contributions toward school, community and the coaching profession.

Techel has been coaching the Ottumwa girls bowling team since the program began in 2000. His Ottumwa teams have reached the state tournament every season since the IGHSAU sanctioned bowling in 2007. The 13 appearances are the most in state tournament history. His Bulldog teams won Class 2A team titles in 2007, 09, 12 17, and 18. He has also coached one Bulldog bowler, Katie Maher in 2012, to an individual state title. The Bulldogs have won 16 Central Iowa Metro Conference titles under his tutelage.

Doug, who owns Champion Bowl in Ottumwa, has two children, Danielle and Seth, who both bowled for Ottumwa High School.

Many students are not aware of the higher education opportunities that are available to them. The **Iowa Tuition Grant** can make attending an Iowa private college or university ***more affordable*** than a public institution, creating more options for your students to ***find the best fit for them*** after high school.

"The Iowa Tuition Grant is extremely important because it provides a substantial award to me, which allows me to pursue my education at Coe. As a student who comes from a family without a ton of money, that really helps out in funding my college experience, and taking some of that load off of me and my parents as well."

STRONG TO THE FINISH

To some, this is just a sport. But to the Iowa Farm Bureau, it's much more.

It's an opportunity for small-town kids to make it big. It's today's youth and tomorrow's leaders. It's hopes and dreams. It's passion and pride.

It's believing that the task ahead of you is never greater than the strength within you.

To the Iowa Farm Bureau, it's why we recognize and support student achievement in athletics, academics and the arts.

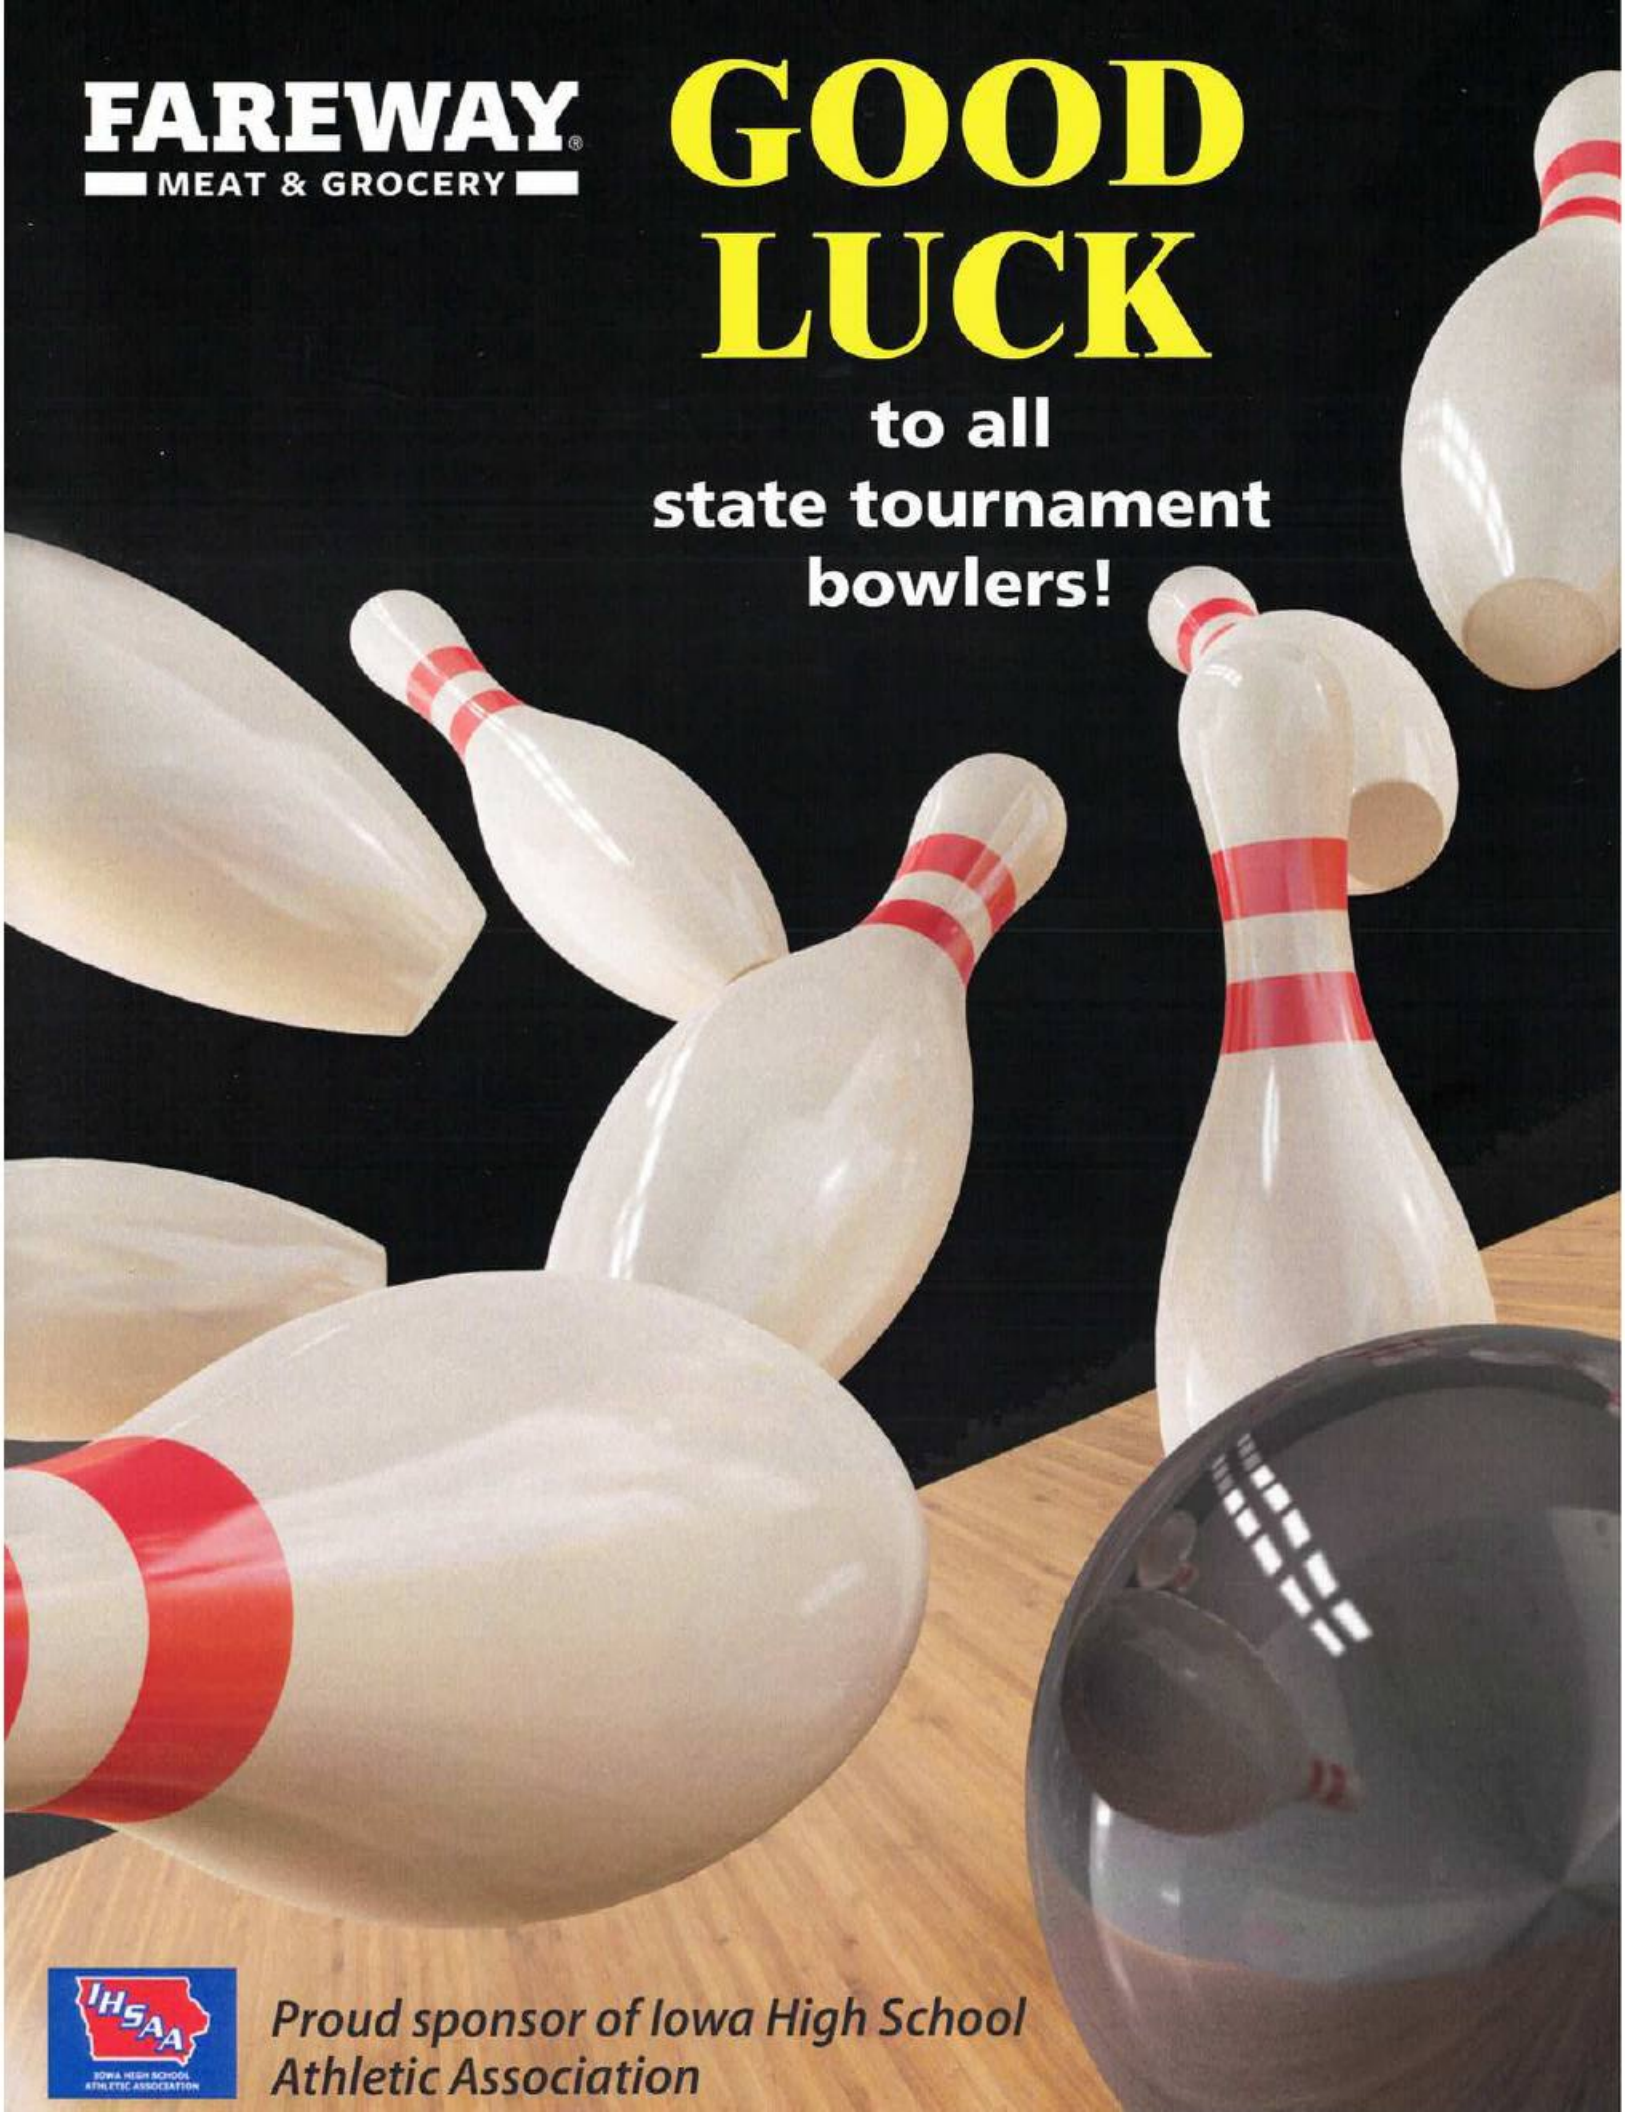

And it's why we ***start strong***, ***stay strong*** and ***finish stronger!***

We're the Iowa Farm Bureau. A century strong and growing. Join our team. Learn more at IowaFarmBureau.com.
